4. Other terms used in this Notice shall have the meanings given to them in the PDPA (where the context so permits).

**COLLECTION, USE AND DISCLOSURE OF PERSONAL DATA**

5. We generally collect personal data that (a) you knowingly and voluntarily provide in the course of or in connection with your employment or job application with us, or via a third party who has been duly authorised by you to disclose your personal data to us (your “**authorised representative**”, which may include your job placement agent), after (i) you (or your authorised representative) have been notified of the purposes for which the data is collected, and (ii) you (or your authorised representative) have provided written consent to the collection and usage of your personal data for those purposes, or (b) collection and use of personal data without consent is permitted or required by the PDPA or other laws. We shall seek your consent before collecting any additional personal data and before using your personal data for a purpose which has not been notified to you (except where permitted or authorised by law).

### **WITHDRAWING CONSENT**

7. The consent that you provide for the collection, use and disclosure of your personal data will remain valid until such time it is being withdrawn by you in writing. As a job applicant, you may withdraw consent and request us to stop collecting, using and/or disclosing your personal data for any or all of the purposes listed above by submitting your request in writing or via email to our Data Protection Officer at the contact details provided below.
8. Upon receipt of your written request to withdraw your consent, we may require reasonable time (depending on the complexity of the request and its impact on our relationship with you) for your request to be processed and for us to notify you of the consequences of us acceding to the same, including any legal consequences which may affect your rights and liabilities to us. In general, we shall seek to process and effect your request within one (1) days of receiving it.
9. We shall, in such circumstances, notify you before completing the processing of your request (as outlined above). Should you decide to cancel your withdrawal of consent, please inform us in writing in the manner described in clause 7 above.
10. Please note that withdrawing consent does not affect our right to continue to collect, use and disclose personal data where such collection, use and disclose without consent is permitted or required under applicable laws.

### **ACCESS TO AND CORRECTION OF PERSONAL DATA**

11. If you wish to make (a) an access request for access to a copy of the personal data which we hold about you or information about the ways in which we use or disclose your personal data, or (b) a correction request to correct or update any of your personal data which we hold, you may submit your request in writing or via email to our Data Protection Officer at the contact details provided below.
12. Please note that a reasonable fee may be charged for an access request. If so, we will inform you of the fee before processing your request.

If we are unable to provide you with any personal data or to make a correction requested by you, we shall generally inform you of the reasons why we are unable to do so (except where we are not required to do so under the PDPA).
14. Please note that depending on the request that is being made, we will only need to provide you with access to the personal data contained in the documents requested, and not to the entire documents themselves. In those cases, it may be appropriate for us to simply provide you with confirmation of the personal data that our organisation

has on record, if the record of your personal data forms a negligible part of the document.

**PROTECTION OF PERSONAL DATA**

- 15. To safeguard your personal data from unauthorised access, collection, use, disclosure, copying, modification, disposal or similar risks, we have introduced appropriate administrative, physical and technical measures such as up-to-date antivirus protection, and encryption.
